

EDWARDS AQUIFER HABITAT CONSERVATION PLAN PROGRAM

FY 2016 PROGRAM FUNDING APPLICATION

This Program Funding Application (“Application”) is made under Article 6 of the Funding and Management Agreement effective January 1, 2012 (“FMA”) between the Edwards Aquifer Authority (“EAA”) and certain other parties. If you have any questions regarding this Application, please contact the Executive Director of the Habitat Conservation Program at (210) 222-2204. Terms used in this Application are used as defined in the FMA. Label attachments with the section and subsection of this Application to which the attachment corresponds.

Please send your completed application to:

Edwards Aquifer Authority
Attention: Habitat Conservation Program
900 East Quincy Street
San Antonio, TX 78215

[NOTE: Only parties to the Funding and Management Agreement (eff. Jan. 1, 2012) are eligible for Program Funding. Except under extenuating circumstances as approved by the Implementing Committee, a Program Funding Application must be filed with the EAA not later than October 1 of the year preceding the year for which Program Funding is sought. If the EAA approves this Application, funds may be disbursed by the EAA from the HCP Program Account only if a Program Funding Contract has been executed by the EAA and the Applicant. The EAA will make all reasonable efforts to enter into a contract with the Applicant not later than 30 days after it takes final action on this Application. Additionally, Program Funding will be made available to the Applicant only in the amount and according to the terms and conditions of the executed Program Funding Contract.]

4.0 PROCUREMENT PROCESS.

Describe the procurement process utilized by the Applicant to secure bids or proposals and a demonstration that the bid or proposal selected is lawful and reasonable:

The EAA followed the standard EAA procurement process. The EAA Staff advertises Request for Proposals (RFP's) in the major newspapers in Uvalde, Hondo, San Antonio, New Braunfels, and San Marcos. In addition, RFP's are distributed to vendors that had requested to be on an RFP vendor distribution list, or are vendors known to be capable of performing the service. The RFP vendor distribution list includes M/WBE's. After the last RFP advertisement is published, a pre-proposal meeting is held. The proposals are usually due one week later. Submitted, complete RFP's are independently graded by EAA Staff as to how well each proposal addresses the project and scope of the RFP's without cost consideration. The graded RFP's, with costs attached are then evaluated by EAA Staff to select contractors for each project. Contracts are reviewed by EAA Staff, legal counsel and approved by the EAA Board of Directors prior to the General Manager executing the contract.

Pages 4, 5 and part of 6 lists the EAHCP Mitigation Measure, Procurement Process and Selected Contractor for 2016.
