

**EDWARDS AQUIFER
AUTHORITY**

EDWARDS AQUIFER HABITAT CONSERVATION PLAN PROGRAM

FY 2015 PROGRAM FUNDING APPLICATION

This Program Funding Application (“Application”) is made under Article 6 of the Funding and Management Agreement effective January 1, 2012 (“FMA”) between the Edwards Aquifer Authority (“EAA”) and certain other parties. If you have any questions regarding this Application, please contact the Executive Director of the Habitat Conservation Program at (210) 222-2204. Terms used in this Application are used as defined in the FMA. Label attachments with the section and subsection of this Application to which the attachment corresponds.

Please send your completed application to:

**Edwards Aquifer Authority
Attention: Habitat Conservation Program
900 East Quincy Street
San Antonio, TX 78215**

[NOTE: Only parties to the Funding and Management Agreement (eff. Jan. 1, 2012) are eligible for Program Funding. Except under extenuating circumstances as approved by the Implementing Committee, a Program Funding Application must be filed with the EAA not later than October 1 of the year preceding the year for which Program Funding is sought. If the EAA approves this Application, funds may be disbursed by the EAA from the HCP Program Account only if a Program Funding Contract has been executed by the EAA and the Applicant. The EAA will make all reasonable efforts to enter into a contract with the Applicant not later than 30 days after it takes final action on this Application. Additionally, Program Funding will be made available to the Applicant only in the amount and according to the terms and conditions of the executed Program Funding Contract.]

5.7.5		Household Hazardous Waste Mgt	\$30,000	Green Guy Recycling Inc
		2015 Funding Request Total	\$1,186,360	

3.0 CITATIONS TO PROGRAM DOCUMENTS.

List the citations to the appropriate Program Documents that demonstrate that the Applicant is authorized to perform the Conservation Measures or other Program activities for which Program Funding is sought. If the Applicant is acting to cure the failure of another party to the FMA to

perform one or more Conservation Measures or other Program activities for which that party is responsible, please describe in detail the circumstances surrounding the need to cure and the authority of the Applicant to perform that duty.

The Edwards Aquifer Habitat Conservation Plan requires the City of San Marcos to complete the above listed projects utilizing the Funding and Management Agreement and section 2.3 of the EAHCP.

Additional page(s) attached.

4.0 PROCUREMENT PROCESS.

Describe the procurement process utilized by the Applicant to secure bids or proposals and a demonstration that the bid or proposal selected is lawful and reasonable:

The City of San Marcos will utilize existing HCP contractors from the 2014 HCP Work Plan and extend their existing 2014 contracts to continue work for the upcoming 2015 HCP Work Plan projects.

The City of San Marcos "Purchasing Policy and Procedures" are consistently being followed as stated in the 2014 HCP Funding and Management application.

The City of San Marcos City Council has not yet approved the contract extensions for the 2015 HCP work plan/projects, but the City Council meeting will occur in November 2015.

Contract amounts will not exceed 2015 HCP Funding Application amounts listed in Table 1 above.

Additional page(s) attached.

5.0 ATTACHMENTS.

Applicant's Resolution. - Attach the resolution representing that the filing of this Application has been duly authorized by the Applicant's governing body, or other appropriate official.

Annual Party Work Plan and Cost Estimate - (purpose for which Program Funding is sought). Attach the Applicant's Annual Party Work Plan and Cost Estimate as approved by the Implementing Committee, and provide the resolution and minutes of the meeting at which the Implementing Committee took its action to approve.

6.0 ACKNOWLEDGMENT.

I, the undersigned, acknowledge, represent, and confirm that: (1) I am the representative of the Applicant and authorized to execute and submit this Application; (2) the Program Documents, or another appropriate regulatory document, as indicated above in Section 3 authorize the Conservation Measures or other Program activities to be performed by the Applicant; and (3) to the best of my knowledge the information provided in this Application is complete, true and correct.
