

Texas Water Development Board Water Loss Audit

Questions answered the by the water audit:

- Where is the water lost?
- How much water was lost (volume)?
- How much did the loss cost the utility?
- Why was the water lost?

Reporting Requirements:

- Reporting once every five years required for all retail public water suppliers (2003 78th Texas Legislature HB 3338).
- Annual reporting is required for retail water suppliers whom have financial obligation with TWDB.
