

RECOMMENDATIONS OF THE SCIENCE SUBCOMMITTEE

On February 5, 2008, the Scientific Subcommittee met and made the following recommendations for the eight remaining slots on the Subcommittee:

HYDROLOGISTS

- Alan Dutton (UT San Antonio, professor)
- Rene Barker (Texas State University-EARDC, Retired USGS)
- Ron Green (Southwest Research Center)
- John Waugh (SAWS)

BIOLOGISTS

- Robert Edwards (UT Pan American)
- Jackie Poole (Texas Parks and Wildlife)
- Ed Oborny (BIO-West)
- Bryan Brooks (Baylor University)

Susan Aragon-Long , who chairs the Subcommittee will explain the basis for the Subcommittee's recommendations at the Joint Steering Committee/RIP meeting
