Dear Mr. Pence,

This correspondence serves to document that we received the 2013 Edwards Aquifer Recovery Implementation Program (EARIP) Habitat Conservation Plan (HCP) Annual Report on March 31, 2014, in accordance with the terms and conditions of the EARIP Incidental Take Permit. We are reviewing the Annual Report now, and will contact you with any questions or concerns. We appreciate the continued dedication on behalf of all of the EARIP stakeholders to implement the HCP and to conserve our region's unique fish, wildlife, and plants.

If we can further assist you, please contact Kevin Connally at 512-490-0057 extension 234.

Sincerely,

Adam Zerrenner
Field Supervisor
